| IN RE: Request of Carolina Power & Light Company to Withdraw Back-Up and Supplementary Service Rider |) ORDER APPROVING) REQUEST TO WITHDRAW) BACK-UP AND) SUPPLEMENTARY RIDER) NO. 66Q |
|--|---|

This matter is before the Public Service Commission of South Carolina (the Commission) on Carolina Power & Light Company's (CP&L's) request for approval to withdraw its Back-up and Supplementary Rider No. 66Q. CP&L asserts that Rider No. 66Q is available in conjunction with a general service class schedule to customers requesting Standby Service, but that no customers have received service under the Rider since its initial approval in 1988. CP&L further asserts that none of its customers have expressed any intention of subscribing to service under the Rider. CP&L requests permission to withdraw Rider 66Q because the Rider does not recover all of the generation and transmission costs associated with providing Standby Service.

After a review of the request, the Commission finds and concludes that CP&L should be and is hereby permitted to withdraw

Rider No. 66Q. Withdrawal of Rider No. 66Q shall be effective as of the date of this Order.
